yum
Your school lunch

School lunch is made easy with Yum! School lunch orders can be placed until midnight with the Yum Cayman App.

HOW TO SIGN UP

Download the Yum Cayman App on your iPhone or Android.

Log in with your registered email or create a new Yum account.

Select the profile icon in the top left corner.

Select Manage Your Yum Accounts.

Select Add Child or Teacher.

Complete all required fields and allergy information.

After adding a child, select the home screen.

Please choose a date to browse our menu or place an order.

Families with multiple children need to place a separate order for each child.

HOW TO TOP UP

Once logged in, select the wallet icon in the top right corner.

Choose the option "+ Top Up Wallet".

Follow the steps to complete payment.

Email admin@catering.ky for any questions.
